Color Specifications and Availability

Multiple-color ads must be prepared to run as CMYK process builds (cyan, magenta, yellow, black). Special color requests for these days will be produced using the above process colors. Color rates are based on a per advertiser per page basis. ROP doubletrucks will be billed for each page. Zone color availability is limited.

Reservations for color must be made at least three business days prior to publication. For deadlines, contact your account executive. Changes in color ads after 10 a.m. the day before a weekday publication or after 10 a.m. Friday for a Sunday publication will be charged a minimum of \$290 (noncomm.) for handling.

Please contact your account executive for detailed information about color specifications and convenient digital ad submission.

Pacific Northwest Magazine Color Rates

Black And	Comm.
One Color	\$695
Two Colors	1,083
Three Colors	1,300

Noncommissionable rates are available. Contact your account executive.

Pacific Northwest magazine color ads must be a fifth-page or larger with a half-page minimum in some special themed editions. Contact your account executive for details. Above charges based on use of magazine-quality inks: cyan (blue), magenta and yellow. Brilliant red (ØAAØ) is available for an additional \$85 (noncomm.). When two process colors are used to create the effect of one color, the black and two-color rate will be charged. Half-page color advertisements are not available on facing or consecutive pages.

TV Times Color Rates

Sunday ROP rates for standard colors apply. A 50% discount will apply to color rates on full-page ads.
